### **2013 Grace Hudson Scholarship Recipient By Noell Reinhiller**

Tammy Nguyen is the recipient of the Grace Hudson Scholarship for the 2013 academic year at NDSU. This year the award is \$580. (Last year's award was \$550). Tammy is a senior applying for admission to the pharmacy program at NDSU and expects to graduate with a Doctor of Pharmacy degree in May 2017. She is a native of Vietnam, graduating from high school in May 2002. On her application, she said that her professional goal is to become a hospital pharmacist and that she has a strong interest in research. Therefore, she hopes to enter a dual Pharm.D/PhD program. Tammy also has a 7- month old baby.

Tammy has worked as a Vietnamese interpreter at Family Healthcare and Sanford during her sophomore and junior years. She also worked in Dr. Sun's laboratory in the pharmaceutical science department for two years while she was in the McNair Scholarship program. These two experiences were key in her choosing pharmacy and research for her career goals.

Although no one applied specifically for the Grace Hudson Scholarship, Kathy York, NDSU Scholarship Coordinator, reviewed the applicants and forwarded 5 general scholarship applications to the committee consisting of Noell Reinhiller and Ann Burnnett in May.

The following criteria are used to select the recipient of the Grace Hudson Scholarship:

1. Re-entry woman who graduated from high school at least 10 years ago
2. Available to female NDSU freshman, sophomore, junior or senior woman.
3. Able to state definite career goals.
4. Completed current General Scholarship Application.

**If you know of any woman with these criteria, encourage her to apply specifically for the Grace Hudson Scholarship.**

## **ANNUAL USED BOOK SALE IS ON!**

**Let's gear up for our Nov. 1 & 2 Annual Used Book Sale – currently, our only branch fundraiser. The funds we raise from this two-day sale give us the opportunity to support a scholarship at NDSU – The Grace Hudson Scholarship – and The Dorothy Dodd Scholarship at MSUM and the AAUW Educational Fund. Together, our branch is able to make a difference in two women's lives locally and at the national level collectively with all the other branches' donations to support women's educational goals. We make a difference!**

**Please come to the September meeting prepared to sign up for a sorting shift and a selling shift. We can boast that nearly every member participates in some way in this group effort. We cannot do it without all the helpers. Can you help call people to take a shift or remind them of the one they already signed up for? Can you sort books? (sorters get first dibs on all the great books!) Can you be there for the selling days to take money, tidy up the books, keep the boxes moving? Every hour you serve helps us raise the funding that makes the difference. Please be willing to serve!**

**The sale will be at the Moorhead Center Mall, exact site to be announced at a future meeting.**

### **June 10 "Celebration" of the 50<sup>th</sup> Anniversary of the Equality Amendment**

In early June, Bobbe Shreve, Pat Schutt, Lucia Schroeder and Joan Justesen made appointments and met with Heidi Heitkamp, John Hoeven and Amy Klobuchar's local staff. Bobbe had cakes made with a portion missing to demonstrate the difference in women's pay for comparable jobs. All offices were welcoming and friendly, gave us significant time to explain the ongoing pay equity issue and to distribute AAUW materials. We left pledge cards for the legislators to sign and return, demonstrating their support for pay equity. Amy Klobuchar is a co-sponsor of the current legislation before congress, which was good to know. Maureen sent pictures of our visits to AAUW.

### **September Financial Report from Finance Officer Lucia Schroeder**

Our balance as of Sept. 1, 2013 is \$912.90. We have 32 paid members for 2013-2014. All MN and ND dues as well as national dues have been forwarded. We have two new members: Kjersten Nelson recruited by Yvonne Condell and Molly McLain, who joined the Fargo branch after moving from Jamestown where she was a member of the Jamestown AAUW branch. She plans to hold dual membership. Welcome, Kjersten and Molly!

## **MEET MOLLY MCLAIN**

Newest member Molly McLain comes to us with great enthusiasm for AAUW and all it does for women and girls in the US. Molly was an active member of the Jamestown branch until she moved recently to Fargo taking the job of community organizer for Planned Parenthood. She will be traveling often to help spread the word throughout ND that reproductive rights are under attack from the legislature. She was also pleased to hear that AAUW ND is encouraging all branches to get involved with the voter ID issue in ND. She has done some research on how the procedures for getting all North Dakotans access to the state-issued photo ID that will be required in the next election, Unfortunately, it seems that very little has been decided by the Powers-that-Be to date! We need to organize NOW to educate ND voters and we don't even know what the requirements will be!

Lucia passes this news-bit from the Internet on to us:

"NEW YORK -- Bank of America agreed to pay \$39 million to settle a gender bias lawsuit by female brokers who claimed they were paid less than men and deprived of handling their fair share of lucrative accounts, court papers made public on Friday show.

"The settlement was disclosed less than two weeks after news that the bank reached a \$160 million settlement with hundreds of black Merrill Lynch & Co brokers who alleged racial bias in pay, promotions and how big accounts were allocated.

"About 4,800 current and former female financial advisers and trainees at Bank of America and Merrill, which the bank bought in January 2009, are eligible for the latest settlement. "
